

Announcement of hold on library donations

Library Suspends Donation of Books, DVDs, and CDs

Westminster has always been fortunate to have terrific community support. That is manifested in many ways, not the least of which is the donation of used books, DVDs, and CDs. The library takes these materials and either adds them to its collection or offers them in book sales which raise funds to support a wide array of library programming.

As a result of many generous donations, we now have more books, DVDs, and CDs than we can effectively manage. As such we are putting a temporary pause on further donations.

We are currently organizing our donated materials and will be holding a series of book sales on a monthly basis throughout the spring. These will lead up to our traditional signature event that takes place in conjunction with the Town Wide Yard Sale in June.

Once we have reduced our used book, DVD and CD inventory we will again be accepting donations. In the meantime, please know that the library Trustees and Friends of Forbush greatly appreciate the community support we receive from the community. Thank you!
